A Message from Principal Kolb

Dear Families,

It is with great pleasure that I write this message to welcome you and your children to a new school year. I am hopeful that your family has had some moments of togetherness, rest and relaxation over the past few months.

As we embark on this year together, I am yet again honored to have the privilege of working alongside you and your children. We remain committed to ensuring that Castle High School provides a learning environment with rich experiences that enhance the intellectual, social, emotional and physical development of each and every child. We will work diligently to ensure that the children enjoy many academic successes while also instilling in them a sense of motivation and purpose at our school and in the community.

I look forward to seeing all of you very soon and to welcoming back our returning families and meeting our new families.

Congratulations Class of 2023!

Families and students attended the Commencement Ceremony on Wednesday, June 7th at the Sari Feldman Auditorium in Parma, Ohio. Castle East Hosts Summer Program

This summer Castle East hosted area high school students in the Y.O.U. employment program. Every summer, the program helps nearly 5,000 teens and young adults annually, preparing them for career pathways through summer and year-round jobs, internships, and industry-specific credential training. Castle East is proud to be a host for this vitally important program for young people.

Improvements around Campus

Our summer was kept busy making improvements around campus and improving the campus grounds outside.

CASTLE EAST IN THE COMMUNITY

This summer Castle East hosted a Community Health & Wellness Fair in partnership with Maple Heights Councilman Richard Trojanski and Dedicated Senior Medical Center to benefit residents in Southeast suburbs of Greater Cleveland. Castle remains committed to serving our community.
