A Message from Principal Kolb

Dear families,

This school year is speeding by. Castle-East has so many wonderful upcoming events at which all are welcome.

This month we will host activities around Black History Month, Valentine's Day and Career Week. Career Week will take place February 26th - March 1st. Students will learn about a diverse array of career pathways. We want to insure our students success after high school into thriving and contributing members of society.

Semester "A" finished on January 12th. Later this month, we will recognize those scholars who made the Honor Roll. Please look for information on this event recognizing our outstanding scholars.

Parents with graduating Seniors, please stay current on important dates for your graduate; FASFA deadline, Senior Picture Day, Prom and Graduation just to name a few. Later this spring, we will host a college tour for our students considering college.

I want to thank you all for your support as Castle-East moves forward to prepare all students for life after high school and beyond. Please feel free to contact me with any questions and suggestions.

In partnership,

Principal Alexandra Kolb

COMMUNITY CONNECTIONS

FEBRUARY 2024

STAFF SPOTLIGHT: ENGLISH TEACHER CASSANDRA MARQUEZ

Ms. Marquez was born in California, but she was raised in Chicago. Her family lived in a tough Puerto Rican area called Humbolt Park. Her father, who was Mexican, could not read or write in any language and her mother dropped out of school in 9th grade. Seeing how much her parents struggled due to lack of education, Ms. Marquez decided that she wanted to be a teacher. Her family moved to Ohio in 1996 to be closer to family. She graduated from Cleveland State University in 2002 and she has been teaching exclusively in urban schools to help students who might find school difficult. She lives in a comfy apartment with her 15-year-old daughter and their two cats, Raven and Lincoln.

CLEVELAND PEACEMAKERS ALLIANCE JOINS LIST OF NEW PARTNERSHIPS AT CASTLE-EAST

Castle-East has a new partnership with Cleveland Peacemakers Alliance (CPA). CPA seeks to engage community youth through interactive programming, workforce assistance, safe housing, court support, safe passage, educational support, and other community connections. We're excited to add this new organization to help our students.
