PHOTOS FROM CASTLE EAST EVENTS DURING THE MONTH OF NOVEMBER

A message from Principal Robinson

November was a busy month for us. We hosted Career Week, Community Food Giveaway and Thanksgiving Feast for our students. We are hard at work to finish our semester strong! The required state mandated tests have begun. Testing runs November 28th thru December 16th. Help your student get a good night's rest, eat a healthy breakfast, and encourage the students to review the days' testing with you. Progress reports were issued in November. Please talk with your students about their academic performance in school. We all share the responsibility in our students success. We're excited for whats to come in 2023. Happy Holidays!

Castle East Hosts Career Week

Castle-East Fall Career Week was held November 14th thru 18th. Career Week exposes students to a variety of careers and jobs by connecting them with persons from a variety of fields. The activities are designed to provide a realistic picture of the workplace and help students make the connection between school and the workplace. Students had the chance to meet a Banker, Attorney, Commercial Truck Driver, Nurse, among others.
